

A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which was a strong, fat and healthy boy, doing his housework up to within two hours of birth, and suffering but a few hard pains. This liniment is the grandest remedy ever made."

Mother's Friend

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

Cancer, Scrofula, Old Sores, Rheumatism, Contagious Blood Poison, Chronic Ulcers.

Blood Troubles:

As the blood contains all the elements necessary to sustain life, it is important that it be kept free of all impurities, or it becomes a source of disease, poisoning instead of nourishing the body, and loss of health is sure to follow. Some poisons enter the blood from without, through the skin by absorption, or inoculation; others from within, as when waste products accumulate in the system and ferment, allowing disease germs to develop and be taken into the circulation. While all blood troubles have one common origin, each has some peculiarity to distinguish it from the other. Contagious Blood Poison, Scrofula, Cancer, Rheumatism, Eczema and other blood diseases can be distinguished by a certain sore, ulcer, eruption or inflammation appearing on the skin. Every blood disease shows sooner or later on the outside and on the weakest part of the body, or where it finds the least resistance. Many mistake the sore or outward sign for the real disease, and attempt a cure by the use of salves, liniments and other external applications. Valuable time is lost and no permanent benefit derived from such treatment.

BLOOD TROUBLES REQUIRE BLOOD REMEDIES; the poison must be completely and permanently eradicated—the blood reinforced, purified and cleansed, or the disease goes deeper and saps the very life. Mercury, potash and arsenic, the treatment usually prescribed in this class of diseases, are violent poisons, even when taken in small doses—never cure, but do much harm by adding another poison to the already overburdened, diseased blood.

A record of 50 years of successful cures proves it to be a reliable, unfailing specific for all blood and skin troubles.

All correspondence is conducted in strictest confidence. We make no charge for this service. Book on blood and skin diseases free. SWIFT SPECIFIC CO., Atlanta, Ga.

Question Answered

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-1y

To Asthma Sufferers.

Laws, an Elvidge of Barrington, Ill., says he was cured of chronic asthma, of long standing by Pholey's Honey and Tar. It gives positive relief in all cases asthma, so this disease, when not completely cured, is robbed of all its terrors by this great remedy. Clarke & Kenney.

Starvation never yet cured dyspepsia. Persons with indigestion are already half starved. They need plenty of wholesome food. Kodol Dyspepsia Cure digests what you eat so that the body can be nourished while the worn out organs are being reconstructed. It is the only preparation known that will instantly relieve and completely cure all stomach troubles. Try it if you are suffering from indigestion. It will certainly do you good. W. T. Brooks.
